

CT MiniPOD Sauna

Transform your backyard or cottage into a peaceful retreat with the Canadian Timber MiniPOD Sauna. Handcrafted in Canada, our beautifully designed CT MiniPOD Sauna combines modern innovation with timeless natural materials. Built from Eastern White Cedar, this sauna exudes warmth, durability, and classic charm. Its distinctive rain drop shape not only stands out visually but also enhances heat circulation and provides extra headroom, ensuring a spacious and comfortable sauna experience for everyone. The triple-layered roof system-constructed from premium cedar planks, a protective layer of ice and water shield, and finished with black Cambridge asphalt shingles-provides excellent insulation, durability, and reliable protection against the elements. This roofing system ensures your sauna remains energy-efficient, weather-tight, and built to last in all seasons. Whether you're seeking a peaceful escape or a gathering place for family and friends, the Canadian Timber MiniPOD Sauna provides the ideal blend of Canadian craftsmanship, natural beauty, and modern comfort.

Manufacturer model: CTC77M | Verified: September 21, 2026

100% Canadian Made

Our saunas are crafted with pride from 100% Canadian wood, locally sourced and expertly shaped by Canadian woodworkers and artisans. Experience superior quality and craftsmanship in every detail, celebrating Canada's rich woodworking heritage.

Wood Resistant to Rot, Decay, and Insects

Our 100% Canadian cedar is made for the Canadian environment. Made for the outdoors, our saunas can withstand all weather, from the harshest Canadian winters to the hottest Canadian summers.

Personalized for You

Select each detail to your exact preferred specifications to fit your space and lifestyle.

Peace of Mind with Our Warranty

Our saunas come with a robust warranty, guaranteeing protection against defects. We are confident that this will be the last sauna you'll ever need. All sauna packages come with a 5-year warranty. Please see warranty section for full terms.

Solid Single Stave Wood Bevels

Crafted exclusively from premium Grade-A Solid Cedar, our saunas feature seamless construction without tenon joints along their length, ensuring durability and a beautifully detailed design. We commit to using only the finest materials, never compromising on the quality of our wood.

Triple Layer Roof

The triple-layered roof system-constructed from premium cedar planks, a protective layer of ice and water shield, and finished with black Cambridge asphalt shingles-provides excellent insulation, durability, and reliable protection against the elements. This roofing system ensures your sauna remains energy-efficient, weather-tight, and built to last in all seasons.

Environmentally Friendly

Sourced from certified sustainable lumber mills in British Columbia and Ontario, our wood is chosen with both durability and environmental stewardship in mind. You can feel good about your choice, knowing that you're investing in a long-lasting product that supports sustainable forestry practices.

Easy Assembly

We designed this sauna with you in mind, ensuring that it is straightforward and easy to assemble. We have several assembly videos and PDFs for each feature.

Easy Maintenance

When the wood and craftsmanship is of this quality, maintaining your sauna becomes effortlessly simple. Please refer to the "Care & Maintenance" section for more information.
