

Luna Sauna

If you're looking for a unique, eco-friendly, and modern outdoor sauna to elevate your backyard, cottage, or cabin retreat, the Luna Sauna is the perfect choice. This beautifully crafted sauna combines contemporary design with the timeless warmth of cedar, creating a luxurious space to relax, rejuvenate, and reconnect with nature. The Luna's signature rounded corners not only enhance its modern aesthetic but also provide a surprisingly spacious and comfortable interior. Its smooth curves create a sense of flow and openness, making every sauna session feel like an escape to a private spa. Available in your choice of Knotty Red Cedar or Clear Red Cedar, the Luna offers two stunning styles to suit your taste. The Knotty Cedar version delivers a warm, rustic charm that blends perfectly with natural surroundings, while the Clear Red Cedar option offers a sleek, refined look with a smooth, contemporary finish. Both types of cedar are naturally resistant to decay and moisture, ensuring your sauna will stay beautiful and durable for years to come. For added comfort and customization, the Luna Sauna can be upgraded with front and back window options, allowing natural light to pour in and connect you with the outdoors. You can also choose to add a changing room for privacy and convenience, or a porch extension for a cozy, sheltered space to cool off and enjoy the fresh air between sauna sessions.
