

# Panoramic Barrel Sauna

The Panoramic Sauna-often called "the sauna with the bubble window" -is one of our proudest achievements. Its signature acrylic bubble back wall opens your space to stunning lake, forest, or mountain views, transforming your backyard or cottage into a peaceful retreat. Thoughtfully handcrafted and tailored to your specifications, each Panoramic Barrel combines the cozy efficiency of the classic barrel design with an elevated, immersive viewing experience. Built with premium Canadian-sourced cedar and a durable acrylic dome, your sauna is made to last and to offer the natural warmth and inviting aroma that make every session restorative. You'll enjoy even, consistent heat and a calm atmosphere that helps you unwind and recharge. Whether you're relaxing alone or spending time with loved ones, your panoramic cedar barrel sauna provides a soothing space where you can reset and feel completely at ease.

Manufacturer model: 762PV | Verified: September 21, 2026

## 100% Canadian Made

Our saunas are crafted with pride from 100% Canadian wood, locally sourced and expertly shaped by Canadian woodworkers and artisans. Experience superior quality and craftsmanship in every detail, celebrating Canada's rich woodworking heritage.

## Bronze Tinted Acrylic Dome Sourced in Ontario

We've been sourcing our acrylic domes from the same mom-and-pop shop in Ontario for 15 years. They are of the highest quality, and perfectly fitted to our Panoramic Saunas for minimal heat loss.

## Wood Resistant to Rot, Decay, and Insects

Our 100% Canadian cedar is made for the Canadian environment. Made for the outdoors, our saunas can withstand all weather, from the harshest Canadian winters to the hottest Canadian summers.

## 20" Wide Benches

We went above and beyond by crafting 20" wide benches-because we knew it mattered. Sit back comfortably or stretch out fully with the extra space.

## Environmentally Friendly

Sourced from certified sustainable lumber mills in British Columbia and Ontario, our wood is chosen with both durability and environmental stewardship in mind. You can feel good about your choice, knowing that you're investing in a long-lasting product that supports sustainable forestry practices.

## Solid Single Stave Wood Bevels

Crafted exclusively from premium Grade-A Solid Cedar, our saunas feature seamless construction without tenon joints along their length, ensuring durability and a beautifully detailed design. We commit to using only the finest materials, never compromising on the quality of our wood.

## Dome Bench for Additional Seating

Included in your purchase is the additional seating along the edge of the panoramic back window, without obstructing your serene view.

## Rust-Resistant Aluminum Bands

Our barrel sauna bands are made in Canada with T6061 marine grade aluminum, ensuring durability and longevity.

## Personalized for You

Select each detail to your exact preferred specifications to fit your space and lifestyle.

## Peace of Mind with Our Warranty

Our saunas come with a robust warranty, guaranteeing protection against defects. We are confident that this will be the last sauna you'll ever need. All sauna packages come with a 5-year warranty.

### Easy Assembly

We designed this sauna with you in mind, ensuring that it is straightforward and easy to assemble. We have several assembly videos and PDFs for each feature.

### Easy Maintenance

When the wood and craftsmanship is of this quality, maintaining your sauna becomes effortlessly simple. Please refer to the "Care & Maintenance" section for more information.

## Configurations and options

| Configuration | Option           | Manufacturer detail                                                                                                                                                                                                           |
|---------------|------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Wood Type     | Clear Red Cedar  | Clear Western Red Cedar is a premium grade known for its exceptional quality and appearance. It features a fine, straight grain pattern and is virtually free of knots and defects, making it a top choice for Saunas.        |
| Wood Type     | Knotty Red Cedar | Knotty Red Cedar lumber is characterized by the presence of knots, which are the remnants of branches embedded in the wood. These knots can vary in size and appearance, adding a rustic and natural aesthetic to the lumber. |
| Front Porch   | No Porch         | Standard model without any extensions.                                                                                                                                                                                        |
| Front Porch   | With Porch       | Add a 2' (60cm) porch to your sauna with a seating area on both both sides. Ideal for a weather resistant area for hanging towels are cooling off after you sauna.                                                            |
| Changeroom    | No Changeroom    | Standard model without additional wall and bench area.                                                                                                                                                                        |
| Changeroom    | With Changeroom  | Add a 4' (120cm) changeroom to the entry of your sauna for a place to relax, cool down and change clothes. This is an enclosed area to keep your towels, robe or water.                                                       |
| Barrel Size   | 7x6 (214x182)    | Comfortably sits 4 people.                                                                                                                                                                                                    |
| Barrel Size   | 7x7 (214x214)    | Comfortably sits 5 people.                                                                                                                                                                                                    |
| Barrel Size   | 7x8 (214x244)    | Comfortably sits 6 people.                                                                                                                                                                                                    |
