

POD Sauna

Metal Roof now available! Handcrafted in Canada, our beautifully designed POD Sauna combines modern innovation with timeless natural materials. Built from your choice of Knotty or Clear Western Red Cedar, this sauna exudes warmth, durability, and classic charm. Its distinctive rain drop shape not only stands out visually but also enhances heat circulation and provides extra headroom, ensuring a spacious and comfortable sauna experience for everyone. The elegant glass door invites natural light into the interior, creating a bright and calming atmosphere that complements the rich cedar tones. The triple-layered roof system-constructed from premium cedar planks, a weather-resistant rubber membrane, and your choice of beveled cedar or shingled finish-delivers exceptional insulation and protection against the elements. This ensures your sauna remains energy-efficient and perfectly sealed. To help you create your dream outdoor retreat, we offer a variety of customizable options, including a changeroom, front porch, additional windows, and roof style choices. Each addition enhances both the function and aesthetic of your sauna, making it a perfect fit for your home, cottage, or backyard oasis. Whether you're seeking a peaceful escape or a gathering place for family and friends, the POD Sauna provides the ideal blend of Canadian craftsmanship, natural beauty, and modern comfort.

Manufacturer model: 862POD | Verified: September 21, 2026

100% Canadian Made

Our saunas are crafted with pride from 100% Canadian wood, locally sourced and expertly shaped by Canadian woodworkers and artisans. Experience superior quality and craftsmanship in every detail, celebrating Canada's rich woodworking heritage.

Wood Resistant to Rot, Decay, and Insects

Our 100% Canadian cedar is made for the Canadian environment. Made for the outdoors, our saunas can withstand all weather, from the harshest Canadian winters to the hottest Canadian summers.

Personalized for You

With thousands of permutations and combinations for Red Cedar Saunas, you can ensure your sauna is truly one-of-a-kind, reflecting your style and needs.

Peace of Mind with Our Warranty

Our saunas come with a robust warranty, guaranteeing protection against defects. We are confident that this will be the last sauna you'll ever need. All sauna packages come with a 5-year warranty.

Solid Single Stave Wood Bevels

Crafted exclusively from premium Grade-A Solid Cedar, our saunas feature seamless construction without tenon joints along their length, ensuring durability and a beautifully detailed design. We commit to using only the finest materials, never compromising on the quality of our wood.

Metal or Cedar Roof with Leak-Proof Ice & Water Shield

Full length bevelled cedar or metal roof siding is placed along the entire length of the sauna with an ice and water shield underneath to ensure it's 100% leak proof.

Environmentally Friendly

Sourced from certified sustainable lumber mills in British Columbia and Ontario, our wood is chosen with both durability and environmental stewardship in mind. You can feel good about your choice, knowing that you're investing in a long-lasting product that supports sustainable forestry practices.

Easy Assembly

We designed this sauna with you in mind, ensuring that it is straightforward and easy to assemble. We have several assembly videos and PDFs for each feature.

Easy Maintenance

When the wood is of this quality, maintaining your sauna becomes effortlessly simple. Please refer to the "Care & Maintenance" section for more information.

Configurations and options

Configuration	Option	Manufacturer detail
Wood Type	Clear Red Cedar	Clear Western Red Cedar is a premium grade known for its exceptional quality and appearance. It features a fine, straight grain pattern and is virtually free of knots and defects, making it a top choice for Saunas.
Wood Type	Knotty Red Cedar	Knotty Red Cedar lumber is characterized by the presence of knots, which are the remnants of branches embedded in the wood. These knots can vary in size and appearance, adding a rustic and natural aesthetic to the lumber.
POD Size	8x6 (244x182)	Comfortably sits 4 people.
POD Size	8x7 (244x214)	Comfortably sits 5 people.
POD Size	8x8 (244x244)	Comfortably sits 6 people.
POD Size	Mini 7x7 (214x214)	Comfortably sits 4 people.
POD Porch	No Porch	Standard option with no porch extension.
POD Porch	With Porch	Step into a covered porch before entering the sauna. This is a great option for a place to hang your towels and robes.
POD Changeroom	No Changeroom	Standard model without additional wall and bench area.
POD Changeroom	With Changeroom	Add a 4' (120cm) changeroom to the entry of your sauna for a place to relax, cool down and change clothes. This is an enclosed area to keep your towels, robe or water.
