

Pure Cube Neptune Sauna

Pure Cube Neptune Sauna Modern design. Expansive views. Now available in two sizes. The Pure Cube Neptune Sauna brings the outdoors inside with its large glass front wall and clean, contemporary design. Available in the Neptune and the new, more compact Mini Neptune, both models combine modern architecture with the warmth and natural beauty of Western Red Cedar. The exterior features distinctive black metal siding and a durable EPDM roof, while the interior is finished in Western Red Cedar for the authentic sauna experience Leisurecraft is known for. The insulated floor, walls and roof help retain heat and improve efficiency, while the expansive bronze tempered glass front creates an open feeling and allows you to enjoy the surrounding view from inside your sauna. Built using Leisurecraft's modular construction, the Neptune Collection is designed for straightforward on-site assembly and is an ideal addition to a backyard, patio, cottage or outdoor wellness space. Choose Your Neptune Neptune / The original Neptune offers a spacious interior for families, entertaining and larger sauna sessions. Its two-tier bench design provides plenty of comfortable seating, with the option of adding an L-shaped lower bench. Choose from electric or wood-burning sauna heater options to create the experience that best suits your space. The optional insulated walls and roof include 3" (8 cm) EPS foam, which is moisture-resistant, meets LEED criteria, is 100% recyclable, and has an R-value of 11.25. The metal siding and trim are made from 28-gauge black-painted steel. The 10 mm bronze tempered glass door can be installed on either the left or right side wall Mini Neptune / The new Mini Neptune delivers the same distinctive Neptune appearance and premium construction in a smaller, space-saving footprint. Designed for customers who want the Neptune look without needing as much outdoor space, the Mini features a streamlined straight bench configuration and is designed exclusively for an electric sauna heater. The Mini Neptune does not include an L-bench or eavestrough option.

100% Canadian Made

Our saunas are crafted with pride from 100% Canadian wood, locally sourced and expertly shaped by Canadian woodworkers and artisans. Experience superior quality and craftsmanship in every detail, celebrating Canada's rich woodworking heritage.

Solid Single Stave Wood Bevels

Crafted exclusively from premium Grade-A Solid Cedar, our saunas feature seamless construction without tenon joints along their length, ensuring durability and a beautifully detailed design. We commit to using only the finest materials, never compromising on the quality of our wood.

Fully Insulated Floors, Walls, and Roof

3" EPS foam with an R-value of 11.25 helps to keep the sauna hot for longer and get to its maximum heat faster. Our foam is locally sourced, recyclable, and meets LEED criteria.

Choose Your Siding

You have the option to select either the 28 Gauge Steel siding, or the Knotty Cedar Villa siding. Both of these offer a stunning and unique, modern touch to your sauna.

Wood Resistant to Rot, Decay, and Insects

Our 100% Canadian cedar is made for the Canadian environment. Made for the outdoors, our saunas can withstand all weather, from the harshest Canadian winters to the hottest Canadian summers.

Environmentally Friendly

Sourced from certified sustainable lumber mills in British Columbia and Ontario, our wood is chosen with both durability and environmental stewardship in mind. You can feel good about your choice, knowing that you're investing in a long-lasting product that supports sustainable forestry practices.

Peace of Mind with Our Warranty

Our saunas come with a robust warranty, guaranteeing protection against defects. We are confident that this will be the last sauna you'll ever need. All sauna packages come with a 5-year warranty.

Easy Maintenance

When the wood and craftsmanship is of this quality, maintaining your sauna becomes effortlessly simple. Please refer to the "Care & Maintenance" section for more information.

Easy Assembly

We designed this sauna with you in mind, ensuring that it is straightforward and easy to assemble. We have several assembly videos and PDFs for each feature.

Configurations and options

Configuration	Option	Manufacturer detail
Wood Type	Clear Red Cedar	Clear Western Red Cedar is a premium grade known for its exceptional quality and appearance. It features a fine, straight grain pattern and is virtually free of knots and defects, making it a top choice for Saunas.
Wood Type	Knotty Red Cedar	Knotty Red Cedar lumber is characterized by the presence of knots, which are the remnants of branches embedded in the wood. These knots can vary in size and appearance, adding a rustic and natural aesthetic to the lumber.
