

Pure Cube Trinity Sauna

The Pure Cube Trinity Sauna is an elegant and compact 5-sided corner sauna, thoughtfully designed to maximize space while providing the ultimate relaxation experience. With seating for two people, it is perfectly suited for smaller outdoor areas such as a condo or cottage deck, or a cozy patio. Its sleek design ensures it blends seamlessly into a variety of environments, enhancing the aesthetic of your outdoor space. Crafted from premium Western Red Cedar, known for its natural durability, aromatic properties, and resistance to moisture, the Pure Cube Trinity Sauna provides a soothing and invigorating sauna experience. The tempered glass windows not only offer a contemporary, stylish look, but also provide unobstructed views, allowing you to relax while enjoying your surroundings. A standout feature of this sauna model is its innovative flat plastic roof tray, designed specifically to support year-round use. This robust roof system ensures superior protection against the elements, allowing you to enjoy the benefits of your sauna in every season-whether it's the warmth of winter or the crisp air of spring. The Pure Cube Trinity Sauna is an excellent choice for those seeking a high-quality, space-efficient sauna that combines design, functionality, and year-round durability.

Manufacturer model: CU552T | Verified: September 21, 2026

100% Canadian Made

Our saunas are crafted with pride from 100% Canadian wood, locally sourced and expertly shaped by Canadian woodworkers and artisans. Experience superior quality and craftsmanship in every detail, celebrating Canada's rich woodworking heritage.

Plastic Roof Tray

This sauna model is designed with an innovative flat plastic roof tray, specifically to support year-round use. This robust roof system ensures superior protection against the elements, allowing you to enjoy the benefits of your sauna in every season-whether it's the warmth of winter or the crisp air of spring.

Environmentally Friendly

Sourced from certified sustainable lumber mills in British Columbia and Ontario, our wood is chosen with both durability and environmental stewardship in mind. You can feel good about your choice, knowing that you're investing in a long-lasting product that supports sustainable forestry practices.

Easy Assembly

We designed this sauna with you in mind, ensuring that it is straightforward and easy to assemble. We have several assembly videos and PDFs for each feature.

Solid Single Stave Wood Bevels

Crafted exclusively from premium Grade-A Solid Cedar, our saunas feature seamless construction without tenon joints along their length, ensuring durability and a beautifully detailed design. We commit to using only the finest materials, never compromising on the quality of our wood.

Wood Resistant to Rot, Decay, and Insects

Our 100% Canadian cedar is made for the Canadian environment. Made for the outdoors, our saunas can withstand all weather, from the harshest Canadian winters to the hottest Canadian summers.

Peace of Mind with Our Warranty

Our saunas come with a robust warranty, guaranteeing protection against defects. We are confident that this will be the last sauna you'll ever need. All sauna packages come with a 5-year warranty.

Easy Maintenance

When the wood and craftsmanship is of this quality, maintaining your sauna becomes effortlessly simple. Please refer to the "Care & Maintenance" section for more information.

Configurations and options

Configuration	Option	Manufacturer detail
Wood Type	Clear Red Cedar	Clear Western Red Cedar is a premium grade known for its exceptional quality and appearance. It features a fine, straight grain pattern and is virtually free of knots and defects, making it a top choice for Saunas.
Wood Type	Knotty Red Cedar	Knotty Red Cedar lumber is characterized by the presence of knots, which are the remnants of branches embedded in the wood. These knots can vary in size and appearance, adding a rustic and natural aesthetic to the lumber.
