People are intrinsically drawn to experience fresh air and natural settings. To be in true harmony with the outdoors is to respect its existence and its changing behaviours. We feel inspired to precisely design elegant and functional furnishings that live side-by-side with the elements.

# OUTDOOR VISIONARIES

Specializing in outdoor furniture has allowed us to become experts in the forms and materials that excel in the elements. This technical knowledge ensures durability, versatility, and functionality that can withstand various outdoor elements. Our honed skillset is entirely separate from that required for indoor furniture — and it leads to a more functional and longer lasting outdoor experience.

# BEAUTY IN ALL FORMS

We take pride in the range of our collections — from classic to contemporary styles. Through the years, we have stayed true to our roots, while bringing fresh insights to woven aesthetics and extruded aluminum forms. We approach every design by intertwining sophistication, simplicity, and comfort, elevating users' experiences with the outdoors. Ultimately, this beauty is always paired with uncompromising functionality.

# MARBELLA

Living • Dining

Softly contoured and richly textured, the Marbella collection invites a more relaxed expression of outdoor luxury. Flat woven resin wraps an aluminum frame in a tactile pattern that feels both crafted and contemporary, while padded seating with reticulated foam delivers lasting comfort without the need for cushions. Gentle curves, smooth armrests, and hand-brushed aluminum accents elevate the design, creating pieces that feel welcoming yet refined. Designed for both living and dining settings, Marbella offers an effortless sense of comfort and composure—ideal for spaces meant to linger.
